Types of Employment Covenants

There are three main types of employment covenants:

- **Non-compete agreements** prohibit employees from working for a competitor after they leave their current job.

- **Non-solicitation agreements** prohibit employees from soliciting customers or clients of their current employer after they leave their current job.
- **Confidentiality agreements** prohibit employees from disclosing confidential information of their current employer.

Enforceability of Employment Covenants

The enforceability of employment covenants depends on a number of factors, including the following:

- The scope of the covenant
- The duration of the covenant
- The geographic scope of the covenant
- The consideration given for the covenant
- The public policy implications of the covenant

Remedies for Breach of Employment Covenants

There are a number of remedies available for breach of employment covenants, including the following:

- Injunctions
- Damages
- Specific performance
- Rescission

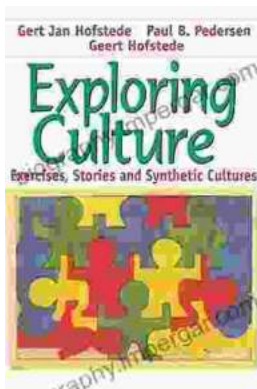

Employment Covenants and Confidential Information is an essential resource for anyone involved in drafting, negotiating, or enforcing employment agreements. The book provides a detailed analysis of the legal aspects of employment covenants and confidential information, and it offers practical guidance on how to draft and enforce these covenants effectively.
