Hello World is a book that explores the intersection of design and life. It features interviews with leading designers from around the world, as well as stunning photography and illustrations. Through these interviews, Hello World provides a unique insight into the creative process and the ways in which design can be used to make a positive impact on the world.

## Interviews with Leading Designers

One of the highlights of Hello World is its interviews with leading designers from around the world. These interviews provide a unique insight into the creative process and the ways in which design can be used to make a positive impact on the world.

Among the designers interviewed in Hello World are:

- Stefan Sagmeister, a world-renowned graphic designer
- IDEO, a leading design and innovation firm
- Yves Béhar, an industrial designer known for his work with fuseproject
- Patricia Urquiola, an architect and designer known for her work with Cassina and B&B Italia
- Neri Oxman, a designer and architect known for her work with the Mediated Matter Group at MIT

These interviews are a valuable resource for anyone interested in learning more about the creative process and the ways in which design can be used to make a positive impact on the world.

## **Stunning Photography and Illustrations**

In addition to its interviews with leading designers, Hello World also features stunning photography and illustrations. These images provide a visual representation of the ways in which design can be used to enhance our lives.

The photography in Hello World is by some of the world's leading photographers, including:

- Annie Leibovitz
- Irving Penn
- Richard Avedon

- Diane Arbus
- Henri Cartier-Bresson

The illustrations in Hello World are by some of the world's leading illustrators, including:

- Maira Kalman
- Christoph Niemann
- Paula Scher
- Milton Glaser
- Seymour Chwast

These images provide a stunning visual representation of the ways in which design can be used to enhance our lives.

### **A Must-Read for Anyone Interested in Design**

Hello World is a must-read for anyone interested in design. It is a beautifully designed book that provides a unique insight into the creative process and the ways in which design can be used to make a positive impact on the world.

Whether you are a designer, a student, or simply someone who is interested in the ways in which design shapes our world, Hello World is a book that you will not want to miss.
