The American bison, once a symbol of the untamed West, was nearly wiped out by the end of the 19th century. But today, thanks to the efforts of conservationists and ranchers, bison are making a comeback.

In her new book, *ReBisoning the West*, author Carla Helmbrecht chronicles the remarkable journey of bison from near extinction to recovery. She traces the history of bison in the West, from their role in Native American cultures to their slaughter by European settlers. She also explores the ecological importance of bison, and the ways in which their return to the landscape is benefiting other wildlife and plants.

But *ReBisoning the West* is more than just a story about the bison. It is also a story about hope and the power of conservation. Helmbrecht shows how the bison's recovery is a testament to the resilience of nature, and to the importance of human intervention in protecting and restoring our natural heritage.

*ReBisoning the West* is a beautifully written and inspiring book that will appeal to anyone who loves nature, history, or the American West. It is a must-read for anyone who wants to learn more about the bison, and for anyone who believes in the power of hope.

### **Praise for *ReBisoning the West***

"A beautifully written and inspiring book that chronicles the remarkable journey of bison from near extinction to recovery. Carla Helmbrecht weaves together history, ecology, and personal narrative to create a compelling story that will appeal to anyone who loves nature, wildlife, or the American West." — **Dr. Jane Goodall**

"A must-read for anyone who wants to learn more about the bison, and for anyone who believes in the power of hope." — **Bill McKibben**

"A powerful and moving book that will change the way you think about the American West." — **Terry Tempest Williams**

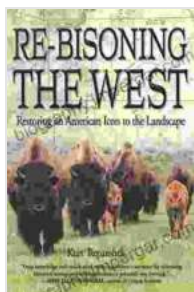

## About the Author

Carla Helmbrecht is a writer, naturalist, and conservationist. She is the author of several books, including *The Birds of North America* and *Wildflowers of the Rocky Mountains*. She lives in Bozeman, Montana.
